REMARKS/ARGUMENTS

The Examiner objected to claims 80 and 81 with respect to certain informalities. With respect thereto:

- In claim 80, the term "hydroxyl acids has" has been changed to "hydroxyl acid has".
- In claim 80, the term "hydroxyl methyl" has been changed to "methyl hydroxyl".
- In claim 80, the "m" after "(CBZ or Z)" and after "(Bn)" has been replaced by a comma in each case.

It is submitted that the informalities noted by the Examiner have been attended to.

It is believed that this application is now in condition for allowance and early and favourable consideration and allowance are respectfully solicited.

Respectfully submitted,

  
Michael I. Stewart
